

GREATER CHENNAI CORPORATION

FUNCTIONS OF BUILDINGS DEPARTMENT

Buildings Department is the Construction Agency for all the departments of Greater Chennai Corporation and Superintending Engineer is the Head of the Department.

The Proposals of various departments of Greater Chennai Corporation, are processed in Buildings Department by doing investigation, estimation, tendering and execution as per their requirements. Apart from this, Additions, Improvement works are also executed for all buildings by Buildings Department. The type of buildings involved are School Buildings, Office buildings like Divisional/Units/Zonal /Regional Offices, Health buildings like Urban primary health center, Urban community health center, Burial Grounds, Gasifier /Electrical Crematorium with equipments, Child Welfare Centres and other buildings like Auditoriums, Shopping Complex/Markets, Fish Markets, Community Centres/Marriage Halls, Lorry operational depot, Dhobikanas, Slaughter Houses, Stadiums , and Restoration of heritage buildings such as Ripon Building and Victoria Public hall.

The funds for Special projects, are funded from HUDCO, TNUDF, TNUFIDCO, CRRT, NULM and NUHM.

The Building Department also functions as a facilitation centre for MLACD and MPLAD funds for MLA/MPs who have chosen Greater Chennai Corporation as their nodal department. This wing of the department, ensures receipt of MLACD and MPLAD funds from government and disburse the funds for the works recommended by the respective MLAs/MPs and on completion of the

works, obtain utilisation certificate from the concerned district authorities where the work has been undertaken.

The Buildings Department is functioning with one Superintending Engineer, Four Executive Engineer, Six Assistant Executive Engineers, Nine Assistant /Junior Engineers. All the Establishment works for building department staffs such as Salaries, pension etc. are also carried out in this Department.
