All bulk waste generators generating more than 100 Kg per day and residential welfare associations/ individual residence/ gated communities/ institutions/ restaurant/ hotels who require these services may make use of these additional service providers to process the waste at their premises itself and also may utilize the solid waste recycling services thereby reducing the waste going to landfill sites on payment basis subject to the following conditions:

- (1) This Empanelment list is valid for one year from the date of authorization.
- (2) The waste generators shall bear the cost of services rendered by the service providers. It is clarified that Greater Chennai Corporation has not fixed any price for any service. So, waste generators are advised to enquire the full details and take appropriate decision regarding this.
- (3) Service providers shall comply with Tamilnadu Pollution Control Board and Central Pollution Control Board norms related to Solid Waste Management and other applicable laws.
- (4) If any guidance is required, waste generators may contact the Greater Chennai Corporation zonal level field officials.
- (5) Any drawbacks / problems faced with these service providers, the waste generators may reach out to Greater Chennai Corporation through E-mail at [seswm@chennaicorporation.gov.in](mailto:seswm@chennaicorporation.gov.in) or call to 1913.
