

Expression of Interest

For

Empanelment of Reputed Agencies with Greater Chennai Corporation for providing Biodegradable Solid Waste processing services for onsite Home Composting for Solid Waste generators in the Chennai City

EoI Reference No.: **SWMC.No.A7/1192-1/2019**

Released by

Greater Chennai Corporation

1 Expression of Interest Notice

The Chennai City is major Metropolis in the southern peninsula spans over an area of 426 sq. km. Chennai City generates over 5,250 Metric Tonnes of Municipal Solid Waste (MSW) on a daily basis. Greater Chennai Corporation (GCC) arranges to collect transport and dispose the same for landfill at two existing dump yards.

As per Solid Waste Management Rules 2016, all the resident welfare and market association gated communities / Institutions / Restaurants / Hotels etc., shall within one year from the date of notification of these rules and in partnership with the local body ensure segregation of waste at source by the generators as prescribed in these rules, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorized waste pickers or the authorized recyclers. The bio-degradable waste shall be processed, treated and disposed-off through composting or bio methanation within the premises as far as possible. The residual waste shall be given to the waste collectors or agency as directed by the local body. It has been noticed that currently Bulk Waste Generators in the city are lacking adequate inhouse expertise. This challenge has led to substantial sub-optimization of waste-conversion and increase in the waste disposed at the dump yard in the city.

To combat this challenge, GCC has planned to empanel waste processing Agencies and such empanelled list of service providers will be published in the GCC official portal. The Bulk Waste Generators in the city can access the portal and be aware of list of such empaneled service providers and directly avail the services.

GCC is floating this Request for Expression of Interest for empanelment of Reputed Agencies with Greater Chennai Corporation for providing biodegradable waste processing services, in the Chennai City. The bidder(s) who meet the minimum said eligibility criteria would be empaneled with GCC and the list of such empaneled vendors would be published in the GCC's official website so that the Bulk Generators in the city can access the portal and be aware of list of such empaneled service providers and directly avail the services

***The Salient features, particulars and Guidance for Implementation role of the Bulk Waste Generators as per Solid Waste Management Rules 2016 in the Greater Chennai Corporation Website. www.chennaicorporation.gov.in ***

The expression of interest document must be mailed to: seswm@chennaicorporation.gov.in submission of hard copy (optional shall be done to the following address)

The Superintending Engineer,
Solid Waste Management Department,
Ripon Building,
Greater Chennai Corporation,
Chennai – 600 003.
Phone No: 25619228

The last date for submission of documents by 14.06.2019 up to 3.00 pm.

Commissioner
Greater Chennai Corporation

2 Terms of Reference

The following are broad contours of the scope of work envisaged for empanelled vendors to provide services to Bulk Waste Generators in the City,

- I. Assess the Characteristics of the waste generated at the respective site of the Bulk Waste Generator*
- II. Propose an optimal segregation of Waste generated and*
- III. Propose and implement a plan for transition to the micro-compost plant / any alternative processing for biodegradable waste*
- IV. To channelize the segregated recyclable dry waste to authorised recyclers.*
- V. Arrive at overall composite conversion approach, frequency & minimum quantity of supply, Cost of Service, Revenue Generation, monitoring mechanism, etc.*
- VI. Sign up of MoU / work agreement for the engagement*
- VII.** GCC shall create a provision in their online portal a provision for each of the empanelled vendor under this EoI wherein the vendor shall update their consent to continue the service as part of empanelment at the end of every 12 months or any period specified by the authority for the respective bidder. In case of any vendor who fail to update the status on the online portal shall be automatically removed from empanelment list published in the web portal. Once removed the such vendors shall need to reapply afresh and once again the bidder would be subjected to scrutiny and post compliance on the scrutiny the bidder shall be brought back into the empanelment list.

3.2. Amendment to the Expression of Interest (EoI)

At any time prior to the deadline for submission of EoI, GCC, for any reason, whether on its own initiative or in response to clarification requested by a prospective bidder, may modify, change, incorporate or delete certain conditions in the Invitation for EoI by amendment notified to the prospective bidders who have purchased the EoI document or provided intent of submitting EOI. Such amendment shall be binding on any firm which may desire to submit an EoI. GCC, at its discretion, may extend the deadline for the submission of EOI subsequent to issue of Amendment and or Supplemental Information.

3.3. Language of EoI Response Proposal

The language of the EoI Response Proposal shall only be in English. All financial figures quoted as project experience shall be in Indian Rupees.

3.4. Cost of EoI

The bidder shall bear all costs associated with the preparation and submission of the EoI, including cost of presentation for the purposes of clarification of the EoI, the preparation or execution of any benchmark demonstrations, simulation or laboratory service or for any work performed prior to the execution of a formal contract if so desired by the bidder. For any reason or in any case, GCC will not take responsibility or liability for these costs. All materials submitted become the property of GCC and may be returned at its sole discretion.

3.5. Bidder Type: Sole Bidder / Consortium

Any bidder in India or abroad with the relevant qualifications can submit response proposal for this EoI. The bidder can choose bid on sole capacity or as consortium i.e. with partners with complementing skill sets. Consortium may be defined as group of entities with complementing skill sets join together to comprehensively meet the project requirements. One of the member shall termed as lead member who shall hold maximum stake w.r.t project scope activities and would play the anchor and Single Point of Contact for this Project. A maximum 2 members including the Lead Bidder would be allowed to form consortium. In case of consortium has to provide Consortium Agreement as per prescribed format Section 4.3 duly signed and sealed by the authorized person. In case of consortium bid, the Consortium Agreement shall clearly articulate the roles and responsibilities, workshare amongst each of the consortium members. It shall be ensured that the Lead Member of the consortium shall hold a major work share among the consortium members.

3.6. Submission of EoI

Bidders are solely responsible for timely submission of their EoI in hard copy the format given in Section 4 – Annexures (collectively referred as EoI) as per timelines and details given in the Section 1 of this EoI.

The Authority may extend the deadline for submission of bids by issuing an amendment, in which case all rights and obligations of the Authority and the bidders previously subject to the original deadline will then be subject to the new deadline.

The EoI shall be typed and shall be signed by the Bidder or persons duly authorized to sign the EoI response proposal to the Contract. The letter of authorization shall be indicated by written power-of-attorney accompanying the bid as per Section 4.7 – Annexure VII

1. Bidders should examine all Instructions, Scope of Work and Terms and Conditions as given in the EoI document.

2. The Eol shall contain no interlineations, erasures, overwriting except as necessary to correct errors made by the Bidder, in which case, such corrections shall be attested with full signature of the bidder or Authorized Signatory of the bidder.
3. The supporting documents and other documents as given in the Eligibility Criteria shall be submitted in the Eol response proposal. The Eol response proposal shall not contain any indications of the Price whether directly or indirectly otherwise the Eol will be summarily rejected.
4. The response proposal shall be bound, signed on all pages and sealed in a single cover. The cover shall bear the Eol Reference details, Tender inviting Authority' details & address, Bidders Organization Name & address. The cover shall be sealed completely devoid any loose / breakages in the cover.

3.7. Opening of Eol

Eol's shall be opened in presence of bidder's representatives (if they are present, else it will be opened in presence of the other representatives, officials present). The Eol shall be opened at the address mentioned above in this section 4.1

GCC will open all Eol's as per schedule mentioned in this section 4.1 If all documents mentioned in each part of proposal are not found, then Eol will be summarily rejected. The bidder's representative willing to attend the opening of the bids shall bring authorization letter. The bidder's representative shall sign an attendance register.

3.8. Eol Response Proposal Checklist

The Eol from prospective bidders should include following documentation:

1. Covering Letter as per format prescribed in Section 4.1 of this Eol
2. Compliance Matrix with respect to the Qualifying Criteria & Supporting Documents required
 - a. Organizational Profile
 - b. Details of the supporting for Eligibility Criteria in format prescribed in Annexure along with supporting documents.
 - c. In case of Consortium Bid then copy of MoU / consortium Agreement
3. Bid Signing authority: Copy of Power of Attorney (PoA) for signing of the Eol Response Proposal. In case of consortium Bid, in addition to the PoA the letter from consortium members for their consent for the submission and proposed bid signing authority

3.9. Evaluation Process

All the response proposals submitted for this Eol would be evaluated as per Eol Evaluation Criteria mentioned in Section 4 and other terms & conditions mentioned in the Eol. The evaluation committee shall scrutinize the received response proposals for this Eol and shortlist among the top qualified consultants for acceptance or rejection of empanelment of the respective bidder. The empaneled consultants shall be duly informed & list of empaneled vendors shall also be published in the GCC's website for public consumption.

As part of evaluation the bidders shall be asked to make a technical presentation of their credentials, process followed, etc at place of the Tender Inviting Authority. During the presentation, the tender evaluation committee may seek necessary queries from the bidder. Based on the clarifications provided by the bidders the technical committee would take the final decision on compliance of the bidder for empanelment. If required the Tender Evaluation Committee or its designated representatives shall visit the sites of the bidder for necessary inspections. The bidder shall extend all necessary support during any such on-site inspections / visits paid by the GCC representatives.

Post comprehensive evaluation of the bidders, the GCC would scrutinize list of bidders who meet the required pre-requisites for empanelment by GCC for the specified service. The list such complied bidders and their contact detail shall be published in the Corporation website.

3.10. Publishing of Empanelled List of Bidders

The empanelment process is an on-going activity for the bidders who submit the bids on this Eol submission date would be evaluated and successful bidders shall be empanelled and their details be published Corporation Portal.

Other potential vendors who intend to apply for this empanelment shall wait for subsequent calls and get themselves empanelled with GCC for the require services.

3.11. Eol Eligibility Criteria

The bidder by himself or through a consortium partner(s) should provide the Solution / Services specified in the Eol. The solution encompasses the supply, installation, integration, and post-implementation support and operations. The bidder must meet the following Qualification requirements

#	Pre-Qualification Criteria	Supporting Documentary Evidence
