**Resolution No. 083/2017**

**Date:21-02-2017**

**Parks Department – Creation of New Parks and maintenance of existing parks – Administrative structure of parks department to be re-organized – without any financial implication – Sanction.**

Greater Chennai Corporation maintains 503 parks, 126 Traffic islands, 129 Centre Medians and 163 Roadside parks within its boundary limits. At present capital nature of work i.e. creation of new parks, re-development of existing parks are being carried out by Engineering department functioning at the three Regional Deputy Commissioner's office. The maintenance of existing parks are being carried out by the Zonal Executive Engineer with co-ordination of Park Supervisor / Park Overseer.

The present administrative structure available at the Regional Deputy Commissioner office for executing capital intensive park work as well as playground vides Chart No.1.

In the present circumstances the execution of park work at the Regional office level is getting delayed due to inadequate supervision and shortage of supervision staff. This is mainly due to the Superintending Engineer in charge of parks at the Regional office is also looking after several other developmental activities including road works Solid Waste Management and Mechanical Engineering Department. So, he is unable to fully concentrate in the developmental work of parks department. In the same way Executive Engineer at the Regional Office level has several office portfolios under his supervision.

In this regard, it is submitted that in order to increase the Green Space cover within the Greater Chennai Corporation limit many projects have been envisaged. Some of them are as follows:

- Number of new parks have been proposed in the OSR lands vested with Greater Chennai Corporation especially in the newly annexed extended areas.
- Chennai City has been included in the smart city programme for which T.Nagar and its neighborhood has to be redeveloped. As part of this programme existing Nine Major parks have to be remodeled with innovative designs concept and greenery.
- Under Chennai river restoration trust work the banks of river Coovam have to be redeveloped. In the short term plan 4 parks and 4 maintenance walkway one natural trail park and have to be formed at an estimated cost of Rs.39.87 crores. Similarly the banks of river Adyar have to be redeveloped for which DPR is under preparation.
- Under Atal Mission for Rejuvenation and Urban Transformation (AMRUT) Scheme, it envisaged to increase green space for which new parks have to be developed for the next 5 years. Government of India would be providing grants to tune of 50% of the estimate cost. For the year 2015–16 Rs.7.54 crores and for the year 2016–17 Rs.13.21crores has been allocated.
- Marina and Elliots beach front have to be developed as part of coasted tourism under the programme initiated by Ministry of Tourism, Government of India called Swadesh Darshan.

In view of this it is proposed that the capital intensive work of parks department may be executed from the Head Quarters, Ripon Building under the control of Superintending Engineers / Parks. The existing staff of park department functioning at Regional Deputy Commissioner's office may be diverted to the head quarters as detailed below.

**P.D.C.No.P1 /1249/2016**

Complement of Parks Department at Head Quarter's after partial diversion of staff from RDC Office.(Engineering staff).

| S. No. | Designation                          | Number of sanctioned post available in RDC's | Number of sanctioned posted to be diverted to parks department / Play Field Department | Remarks                                                                                                                                                                  |

The new revised administrative structure of the park department and also play field department vide chart no. 2.

**P.D.C.No.P1 /1249/2016**

Due to creation of the Engineering wing at parks department, head quarters, there shall not be any additional financial obligation.

For the similar reason, playfield department now functioning under Stadium officer may be brought under the control of Superintending Engineers / Parks and Playfield.

The new revised administrative structures for maintenance of park at RDC Office vide Chart No. 3.

With regard to posting of one executive engineer it is informed that there are three Executive Engineer working at Quality Control Department under Superintending Engineer / Quality Control. As a stop gap arrangement one of the Executive Engineer may be made incharge of newly created engineering wing of the parks department.

The existing ongoing capital works being carried out at the Regional Level / Zonal level may be completed by them.

All new works of park department as well the works for which work order have been issued previously and the work not commenced may be executed at the parks department head quarters from 01.12.2016, hence, it is proposed to obtain necessary orders from Special Officer / Council for implementing the following changes in the administrative structure of Parks Department as well as the Regional Office as stated below.

1. The capital intensive work of Parks Department (both new work and redevelopment of existing park would be executed from the Head Quarters (Parks Department) under the Superintending Engineer (Planning).
2. To reorganize the existing administrative structures at the Parks Department / Play Ground, Head Quarters by diverting the existing complement available at the Regional Office to the Head Quarters without any financial implication vide chart No. 2.
3. To reorganize the existing administrative structure at the Parks Department, Regional Office for regular maintenance of existing park and newly created park in coordination with concerned Zonal Office (vide chart No.3).
4. The Assistant Commissioner (GA&P) would be instructed to create necessary complement for engineer staff at the head quarters, parks department and play ground by diverting existing complement available at the regional level.
5. For posting of staff as stated in the revised administrative structure.
6. Financial advisor may be asked to allocate necessary fund under the establishment code at the Parks Department, Head Quarters for disbursing salary to the newly created complement by diversion of funds already earmarked in the budgetary provision at the RDC office.
7. The available capital funds earmarked for executing parks works at the Regional Deputy Commissioner office may be transferred to the parks department head quarters for execution of new capital park work.

Sl.No 1 to 7 above is approval of the Special Officer – Standing Committee (Works), Standing Committee (Taxation and Finance) and Council, Commissioner's note dated.28.01.2017 is read.

**“Approved by Special Officer- Standing Committee (Works), Standing Committee (Taxation and Finance) and Council.”**

\*\*\*\*\*

**Z.O.III.C.No.5026/2016**

**Resolution No. 084/2017**

**Date:21 -02-2017**

**Zone 3 (Madhavaram) – Division 22 to 33 – Existing Ponds bearing old survey Nos.85, 135, 330, 332, 360, 403, 422, 859/2, 852/2, 874, 908/2B, 920, 936/1, 947/1, 966, 986, 1026/1, 1242/1 of Madhavaram village, Madhavaram – Provide fencing, compound wall and to prepare DPR for 30 numbers of water bodies in Zone 3-Sanction.**

Madhavaram Zone which constitutes zone-3 of the Greater Chennai Corporation was added to the Corporation in 25-11-2012 by merging the Madhavaram municipality, Puzhal and Chinnasekkadu Town Panchayat and Kathirvedu, Surapet and Puthagaram village panchayats. The area falls under the revenue jurisdiction of Thiruvallur district.

The area is a hub of logistics companies and is rapidly expanding as a residential area. One of the factors that have led to the growth of Madhavaram is the existence of aquifer structures which are recharged through a network of ponds and tanks, both large and small. In an assessment of Ground Water made jointly by Central Ground Water Board and State Ground & Surface Water Resources and Development Centre (PWD, WRO, Government of Tamil Nadu) as on 31st March 2004, out of 14 blocks in Tiruvallur district, Madhavaram was one of the three blocks which was ranked in the “Safe” category, while the other were either “Critical”, “Over-Exploited” or “Semi-Critical”.

Given the burgeoning population of Chennai and the need for augmenting drinking water sources, both surface and sub-terranean, it is imperative that water harvesting on a micro basin level in our urban areas be taken up. Although many macro basin watershed management practices have been implemented across the country, any micro level intervention involving stand alone/connected ponds and tanks in an urban area will be the first of its kind.

With the above objective in mind, a total of 30 water bodies under the control of GCC were identified and a preliminary inspection was carried out by a team under the Regional Deputy Commissioner (North) on 30.11.2016 and 09.12.2016 to ascertain the current status. It was found that only 11 out of the 30 were completely free from encroachments and the remaining 19 were partially encroached mostly with asbestos houses, temporary shops, cattle sheds, fish ponds etc.,

The following are the basic details:

| S. No. | Dn. No. | Name of Pond / Location                     | Revenue Village | Old Survey No. | Extent in acres | Remarks           |

In all these water bodies, the boundaries were not clearly identifiable due to absence of bunds/partial availability of bunds. As a first step, it was necessary to survey and demarcate the boundaries of these water bodies. During the inspection, in many of these water bodies, illegal sewage outfall was noticed and nearly 17 notices under Public Health Act, 1939 has been issued to the polluters.

However, since the objective was to ensure that these water bodies are protected from encroachments and also to revive them as traditional flood mitigation water bodies and aquifer recharge structures, it is proposed that a hydro-geological study be carried out in each of these 30 water bodies to ascertain the inflow and outflow channels, the runoff and percolation indices and thus establish the storage and recharge potential of each of these water bodies. Subsequent to the study, it is proposed to establish an elevated bund around all these water bodies and also put them to public use through the creation of an earthen walking track cum greenery on the elevated bund.

However initially to ensure that these water bodies are protected from any further encroachments, a basic estimate has been prepared to provide chain link fencing for Water bodies based on the 2016-17 schedule of rates for Rs. 87.355 Lakhs.

The details of 30 numbers of water bodies improvement work is as given below:

| S. No. | Dn. No. | Name of Pond / Location         | Extent in acres | Estimate Amount in Lakhs |
|--------|---------|---------------------------------|-----------------|--------------------------|
| 1      | 22      | Thamarai Kulam, KS Nagar        | 3.08            | 3.21                     |
| 2      | 22      | Pura Kulam, Gandhi Main Road    | 1.99            | 3.88                     |
| 3      | 24      | Puthagaram Tungal Lake          | 4.89            | 5.91                     |
| 4      | 24      | Idayankulam, Valluvar Nagar     | 1.35            | 2.07                     |
| 5      | 24      | Pachakulam, Surapattu Main Road | 1.98            | 2.90                     |

| 30    | 27 | Perumal Koil St Kulam (Opp to Perumal Koil)                   | 0.76         | 2.38                             |
| TOTAL |    |                                                               |              | 87.355                           |

Hence,

1. To accord administrative sanction for Rs.87.355 Lakhs to take 30 numbers of water bodies for providing chain link fencing,
2. To prepare DPR for hydro-geological study and further improvements like Bud Formation, Tree Plants, Benches, Electrical Posts, Walking Track, Beautification, Greeneries, Yoga Platform, Pebbles Track and etc. for the 30 numbers of water bodies,

Sl.No 1 & 2 above is approval of the Special Officer – Standing Committee (Works), Standing Committee (Taxation and Finance) and Council, Commissioner's note dated.18.02.2017 is read.

**“Approved by Special Officer- Standing Committee (Works), Standing Committee (Taxation and Finance) and Council.”**

As instructed by the Commissioner, the proposed roads in the estimates prepared were inspected by the Principal Chief Engineer on 17-02-2017 and the following observations are submitted.

Due to urgency as the file is put up for in anticipation of sanction of the administrative sanction the road works were commenced and hence the ratification orders are requested accordingly.

The roads identified for relaying in this proposal are necessarily to be taken up and are in damaged conditions which are all the main connecting roads.

**Z.O.IX.C.No.E1/000996/15 & E1/0099/486/2017**

**Resolution No. 102/2017**

**Date:27 -02-2017**

**Zonal office -9 – Unit 27 A – Marina Swimming Pool – Out sourced thro’  
Limited Tender for providing technical support with Men and Materials  
including operation, safety, and collection and sharing of Maintenance  
Contract – 4 bidders participated - Highest Quoted by Tmt.Mullaimalar,  
Saligram, Chennai 93 – To award the contract – Sanction.**

Marina Swimming Pool in Service Road of Kamarajar Salai, was out sourced thro’ E-Auction held on 15/05/2015, for Improvements, Operation and Management contract to the highly bidded contractor from 23/05/2015. This outsourcing included Advertisement and basic income.

Since, the permission was not given by the concerned authorities to place the hoardings/Advertisements around the swimming pool within the reasonable time, the contractor requested modification in payment.

Hence, a council resolution No.005/2017 dt.11/01/2017 was obtained to cancel the existing outsource tender after calling and finalizing the limited tender for fresh outsourcing, by fixing the basic price as Rs.10 Lakhs without the erection of hoardings with premium amount of 5% every year, for a period of 5 years initially and to extend the contract up to 10 years depending upon the satisfactory performance of the contract.

Accordingly, a limited tender dt.15/02/2017 was called for, for providing technical support with Men and Materials including operation, safety, and collection and sharing of Maintenance, leaving the advertisement, fixing the date of opening as 15/02/2017. Four bidders, namely, 1. Tmt.M.Mullaimalar, saligram, Chennai-93, 2. Th.P.Selvam, Ayyappanthangal, Chennai, 3.Smt.Rajalakshmi Ammal trust, Saligram, Chennai- 93 and 4. Th.P.Manickam, Mannady, Chennai, were participated. Their eligibility was scrutinized and found eligible, for which the technical eligibility statement was enclosed. Thereafter, the prices quoted by the bidders were taken into consideration and the comparative statement of the prices quoted by them is tabulated as under:-

| S.No | Description of Work                                                                                                                                                                                                 | Rates quoted for <b>1 year</b> by the bidders (Rs.) |             |                             |               |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|-------------|-----------------------------|---------------|
|      |                                                                                                                                                                                                                     | Tmt.M.Mullaimalar                                   | Th.P.Selvam | M/s.Rajalakshmi Ammal Trust | Th.P.Manickam |
| 1.   | Providing technical Support with Men and Materials including Operation, safety, collection and sharing of maintenance of Swimming Pool in Marina Beach at Kamarajar salai for 5 years in Dn.114, Unit 27A, Zone IX. | 11,75,000                                           | 10,25,000   | 11,00,000                   | 10,50,000     |

From the above comparative Statement, it is revealed that Tmt. Mullaimalar, Saligram, Chennai 93, has quoted the highest bid amount of Rs.11,75,000/- for the outsourcing work. After protracted negotiation with the highest bidder, Tmt.Mullaimalar, the bidder has given the consent to increase the bid amount quoted by them. The final bid amount was recorded as Rs.12,00,000/- (Rupees Twelve lakhs only) for a period of 1 year, vide their letter dated 16<sup>th</sup> February 2017. The bid amount, as per tender condition, with a premium of 5% shall be paid by the highest bidder every year for a period of 5 years, as tabulated below:-

| Years                | Amount to be paid to Greater Chennai Corporation every year |
|----------------------|-------------------------------------------------------------|
| 1 <sup>st</sup> year | Rs.12,00,000/- + Rs.2,00,000/- as Security Deposit.         |
| 2 <sup>nd</sup> year | Rs.12,60,000/- (Premium of 5%)                              |
| 3 <sup>rd</sup> year | Rs.13,23,000/- (Premium of 5%)                              |
| 4 <sup>th</sup> year | Rs.13,89,150/- (Premium of 5%)                              |
| 5 <sup>th</sup> year | Rs.14,58,608/- (Premium of 5%)                              |

**Z.O.IX.C.No.E1/000996/15 & E1/0099/486/2017**

As per tender condition, the bid amount mentioned above shall be paid by the highest bidder, Tmt.Mullaimalar, to Greater Chennai Corporation, by way of demand draft, every year, before the commencement of successive year, failing which the penal interest of 10% will be levied for further 2 months and beyond that the contract will be cancelled. The first year bid amount of Rs.12,00,000/- (Rupees twelve Lakhs only) shall be collected from the highest bidder, Tmt.Mullaimalar, within 30 days from the issuance of Work order, after the approval of the proposal from the authority concerned (Council). Before that, the Security Deposit of 2 Lakhs shall be collected from the successful bidder, Tmt.Mullaimalar, along with the execution of agreement with Commissioner, Greater Chennai Corporation, for the faithful completion of the contract.

Moreover, the period of the contract shall be extended for further 5 years, based on the satisfactory performance of the contract in the initial 5 years, after getting the performance certificate from the concerned authority, with the existing Terms & Conditions. Also, the highest bidder shall be instructed to maintain the ISO certification obtained earlier in August 2015.

Hence,

1. To approve the Limited Tender called for, for providing technical Support with Men and Materials including Operation, safety, collection and sharing of maintenance of Swimming Pool in Marina Beach at Kamarajar Salai for 5 years in Dn.114, Unit 27A, Zone IX, fixing the basic price as Rs.10 Lakhs without permitting the erection of hoardings.
2. To approve the highest bid received for an amount of Rs.12,00,000/- (Rupees Twelve Lakhs only) for 1<sup>st</sup> year, among the 4 bids received, quoted by Tmt.Mullaimalar, saligram, Chennai – 600093.
3. To issue the Work order for the outsourcing work, mentioned above, to the highest bidder, Tmt.Mullaimalar, Saligram, Chennai – 93.
4. To execute the agreement with Commissioner, Greater Chennai Corporation, after the payment of Security Deposit of Rs.2,00,000/- (Rupees Two Lakhs only) by way of Demand Draft, for the faithful completion of the contract.
5. To instruct the successive tenderer, Tmt.Mullaimalar, to pay the 1<sup>st</sup> year bid amount of Rs.12,00,000/- (Rupees Twelve lakhs only) by way of Demand Draft, within 30 days of the receipt of the Work order, after the approval of the proposal from Council.
6. To instruct the successive tenderer, Tmt.Mullaimalar, to pay the successive bid amounts up to 5 years, well in advance, before the commencement of every successive year, with a premium of 5% every year. (2<sup>nd</sup> year – Rs.12,60,000/-, 3<sup>rd</sup> year – Rs.13,23,000/-, 4<sup>th</sup> year – Rs.13,89,150/- and 5<sup>th</sup> year – Rs.14,58,608/-.)
7. To extend the contract to further 5 years, totaling 10 years, based on the performance of the contract, after getting the performance certificate from the officials concerned.

Sl.No 1 to 7 above is for Orders of the Special Officer – Standing Committee (Works), Standing Committee (Taxation and Finance) and Council, Commissioner's note dated.28.01.2017 is read.

**“Ordered by Special Officer- Standing Committee (Works), Standing Committee (Taxation and Finance) and Council.”**
