GIS/J.E/.C.No.0010/2017

Resolution No. 216/2017

Date:12-04-2017

Planning Department - GIS cell - Generation of digital database using GIS technology and Door-to-door survey and utility mapping for Greater Chennai Corporation – Upgradation of existing Esri ArcGIS Desktop & server License – sanction.

The Greater Chennai Corporation is in the process of generation of digital database and Door-to-door survey and utility mapping for Greater Chennai Corporation using GIS technology through TNUIFSL managed Project Development Grant Fund (PDGF) under the World Bank funded “Tamil Nadu Sustainable Urban Development Project” (TNSUDP).

In this Connection, an Administrative sanction was obtained on 20.03.2017 for the upgradation of existing Esri ArcGIS Software - Desktop and Server License from S.O Council. The existing ESRI ArcGIS suite of software has to be upgraded to the latest version and this upgraded version have to necessarily be sourced from the original supplier only or original equipment manufacturer that is ESRI India. Moreover ESRI India has submitted in the report that M/s Geotech Geospatial Pvt Ltd as their sole /exclusive reseller authorized in India to represent them for upgrade of existing ESRI ArcGIS software. Hence, inviting limited/ open tender will not arise and hence as per ESRI India direction, a letter dated.21.03.2017, inviting quotation has been sent to Geotech Geospatial Pvt Ltd.

Geotech Geospatial Pvt Ltd, in their sealed offer No. GGPL/TN/GCC/ArcGIS/2016-17 dated.23.03.2017, quoted Rs. 75,33,000/- Nett - Inclusive of all taxes (Seventy Five lakhs and Thirty Three Thousand only) for the upgrade of existing Esri ArcGIS Software.

Further, it was decided to call for a negotiation to reduce the cost of the upgrade of Esri ArcGIS Software, letter has been sent to Geotech on 24.03.2017.

In response to the above mentioned letter Geotech has offered final negotiated value of Rs. 68,40,000/- Nett - Inclusive of taxes (Sixty Eight Lakhs and Forty Thousand only) on 27.03.2017 for the upgrade of Esri ArcGIS software with validity till March 30, 2017 only to avail the final discounted special offer.

Hence, it is proposed to obtain the necessary orders from Special officer - Council for releasing the work order to Geotech for the upgrade of existing Esri ArcGIS Software to latest version 10.4.

Hence, the final negotiated value of Rs. 68,40,000/- Nett - Inclusive of taxes (Sixty Eight Lakhs and Forty Thousand only) for the upgrade of Esri ArcGIS software and awrd the work to Geotech Geospatial Pvt Ltd. Approval of Special Officer – Standing Committee (Works), Standing Committee (Taxation and Finance) and Council requested. Commissioner’s note dated.30.03.2017 is read.

“Approved by Special Officer- Standing Committee (Works), Standing Committee (Taxation and Finance) and Council.”

S.P.D.C.No.B1/0167/2014

Resolution No. 219/2017

Date:12-04-2017

Special Projects – Consultancy service for Preparation of Feasibility, Financial Plan and Transaction Advisory Services for Cycle Sharing System for Chennai City – Letter of Acceptance issued – Agreement executed – work under progress - Extension of time – Approved.

Order of the Commissioner were obtained on 29.04.2015 to call Request for Proposal (RFP) for appointment of consultant for preparation of feasibility, financial plan and Transaction advisory services for Cycle Sharing System for the city of Chennai from empanelled firm with TNIDB, RFP was received on 15/06/2015 and letter of Acceptance was issued to M/s. Jones Lang Lasalle Property Consultant India Pvt. Ltd., (JLL) on 10.08.2015 and the agreement was executed with M/s. JLL on 15/09/2015.

Letter dated 25.10.2017 received from Consultant M/s. JLL consultant stated that, the work was delayed due to torrential rains and deluge during November, December, 2015, Tamil Nadu Legislative Election 2016 during May-2016, the death of Chief Minister of Tamil Nadu during December-2016 and Varadha Cyclone affected the Chennai city during December-2016. The Consultant has already submitted various report and Final report was approved on 18/01/2017 with few modifications.

Now, the consultant is seeking time extension to complete the final deliverable (Approval on Final Feasibility and Transaction Advisory Report) up to 30th April, 2017.

In view of the reason stated above, it is necessary to extend the above Consultancy work up to 30th April, 2017.

Hence,

- 1) To approve the extension of time period from the expiry of the work order 12/03/2016 to till 30th April, 2017
- 2) If approved, intimation of extension of time will be issued to M/s. Jones Lang Lasalle Property Consultant India Pvt. Ltd., (JLL).

Sl.No 1 & 2 above are for Orders of Special Officer- Standing Committee (works) and Council requested. Commissioner's note dated.08.04.2017 is read.

“Approved by Special Officer- Standing Committee (Works) and Council.”

M.E.D.C.No.M1/4299/2012

Resolution No. 223/2017

Date:12-04-2017

Mechanical Engineering Department – Operation & Maintenance of 45 Nos. of LMV Compactor Vehicles –contract expired on 31.12.2016 – Extended up to 31.03.2017- New tender called in the month of March 2017 – Tender opened and Re – tender to be called for – unable to proceed further due to Election Model Code of Conduct (MCC) in Force for R.K.Nagar Assembly constituency Bye Election – Further extension of O & M Contract for further period of 60 days – Approved.

Mechanical Engineering Department is maintaining 211 nos. of LMV Compactors vehicles for clearing garbage in zone I to XV excluding the privatized zones.

Out of these vehicles, 45 Nos. of LMV Compactors were procured during the year 2012 from M/s. TPS Infrastructure Ltd., under supply of compactors with 4 years operation and Maintenance. Accordingly, above compactors are being maintained by the above company. Since, the vehicles are received on different dates between September 2012 to December 2012, the contract was extended to all vehicles up to 31.12.2016 and to avoid dislocation of conservancy works, it is further extended up to 31.03.2017 (Not exceeding 25 % of the contract value).

In order to continue the operation and maintenance of these 45 LMV compactors for next two years, due to non – availability of sufficient number of drivers and skilled mechanics, administrative sanction was obtained from the Special officer (Council) on 13.02.2017 and tender was called by fixing the due date on 02.03.2017 and tender was opened. Only one bid was received in the tender. Since to get competitive rates in the tender, it was decided to invite re tender.

Due to the announcement of bye-election to R.K. Nagar Legislative Assembly constituency, Model Code of Conduct has come into force with effect from 10.03.2017 and all developmental activities are withdrawn and tenders cannot be called for in compliance with Election Model Code of Conduct.

Apart from this, Local Body Elections are expected to be declared soon. In order to provide uninterrupted service of conservancy works and also to prevent health hazards to public, it is very much essential to extend the operation and Maintenance contract for a further period of 60 days from 01.04.2017 at the existing O & M Charges as follows:

Vehicle Type	Operation Charges / Shift	Maintenance Charges / Day
LMV Compactor	Rs. 1000/-	Rs. 400/-

M/s. TPS Infrastructure Ltd has stated in their letter dated 22.03.2017 that they are willing to carry out the O & M work to 45 LMV compactors for further period of 2 months at existing rates.

As per TT Act, the extension of tender is permitted up to 25% of the tender value. Since the MCC is in force and the tender cannot be finalized and to avoid dislocation of conservancy works, the existing contract can be extended for further 60 days as a special case.

The approximate expenditure for carrying out operation & Maintenance worked out for 45 nos. of LMV Compactor vehicles for the period of 60 days is Rs.52 Lakhs. As a special case, the above said proposal may please be considered.

M.E.D.C.No.M1/4299/2012

Hence,

1. To extend the Operation & Maintenance Contract period of 45 Nos. of LMV Compactors for a period of 60 days from 01.04.2017 at the total amount of Rs. 52 Lakhs (Rupees FiftyTwoLakhs Only) (Approx.)
2. To place the extension order to M/s. TPS Infrastructure Ltd., for carryingout the Operation & Maintenance work to 45 Nos. of LMV Compactors for a period of 60 days from 01.04.2017 at the existing Operation & Maintenance Charges as follows:

Vehicle Type	Operation Charges / Shift	Maintenance Charges / Day
LMV Compactor	Rs. 1000/-	Rs. 400/-

3. To meet out the expenditure under the budget head 40 – 41 – 10 / 230 – 80 – 03 – 00 for operation and BH. 40 – 41 – 10 / 230 – 20 – 15 – 02 for Maintenance of Mechanical Engineering Department, Inspection Vehicles Depot.

Sl.No 1 to 3 above are for Orders of Special Officer- Standing Committee (Health), Standing Committee (Taxation and Finance) and Council requested. Commissioner's note dated.31.03.2017 is read.

“Approved by Special Officer- Standing Committee (Health), Standing Committee (Taxation and Finance) and Council.”

R.D.C.No.G1/2952/2017

Resolution No. 242/2017

Date:26-04-2017

Public Accounts Committee – Greater Chennai Corporation – Revenue Department – Property Assessments – Levy of Library Cess - Report of C & A G of India 2012-13 for Education Department para number 3.1.4.3(G&SS) – Revise the library cess rate from 5 paise per rupee to 10 paise per rupee for old property tax assessments with effect from I/2017-18 – Sanction.

In the report of Comptroller of Accountant General for the year 2012-13 it is stated that though Government enhanced the library cess from 5 paise to 10 paise for every rupee of tax levied, Corporation of Chennai has continued to levy cess only at the rate of five paise. The request of Corporation of Chennai to continue to collect the cess at 5 paise by citing administrative reasons was rejected by the Government in the year 2000. The Government on this being pointed out by DPL ordered that Corporation of Chennai should enhance the rate of library cess from 5 paise to 10 paise during the general revision of property tax due from 1st April 2008. However no revision of property tax was carried out in respect of properties assessed prior to April 2008 and library cess was continued to be levied at 5 paise for old assessments and at 10 paise in respect of assessment of new properties done from April 2008. Amount of cess collected at 5 paise during 2008-09 to 2012-13 (upto November 2012) was 53.43 Crore. Thus cess amounting to 53.43 Crore was not collected by Corporation of Chennai during the above period and remitted to DLO Chennai.

In G. O. Ms. No. 492, Education (K1) Department dated 19.05.1992, Government has ordered to revise the levy of library cess from 5 paise to 10 paise per rupee for the property tax assessments. In this regard Council had passed resolution to continue to levy library cess at the rate of 5 paise per rupee vide no. 18/1994 dated 06.01.1994 and had sent to Government for approval. Since, Government has rejected the proposal, council has passed resolution (Resolution No.179/2000 dated 27.04.2000) that Corporation of Chennai has carried out general revision and issued demand notices to all the assesses hence it is difficult and will create expense to GCC to send the revised notices to all the assesses hence it will be revised in subsequent general revision of property tax. The proposal of the Council was again rejected vide G.O.(1D) No. 343, School Education Department dated. 16.11.2000 and stated that Government will not accept any revised proposals.

In council Resolution No. 246/2001 dated 22.05.2001, Corporation has accepted to revise the library cess from 5 paise to 10 paise for new assessments from the date of approval of Council Resolution and with regard to old assessments it will be revised from the subsequent general revision.

Further, Government has issued orders vide G.O.Ms. No. 92 School education (K1) Department dated 23.04.2008 to revise the library cess for all the assessments from 5 paise to 10 paise during the general revision on 01.04.2008.

Due to policy decisions, general revision of property tax was not carried out by Corporation of Chennai and subsequently the jurisdiction of Corporation was delimited by extending its area including 48 various local bodies with effect from II/2011-12. The library cess was levied by the erstwhile local bodies at 10 paise since the revision was carried with effect from 2008-2009. Whereas, in respect to Chennai Corporation, since the general revision was not carried out till date library cess has not been revised for old assessments and they are continued with old cess at 5 paise per rupee. However, the library cess at 10 paise per rupee is being levied with effect from 2008-2009 for new assessments.

R.D.C.No.G1/2952/2017

Though the Government has passed orders to levy 10 paise per rupee as library cess with effect from 01.04.2008, in G.O.No.92, School Education (K1) Department, dated 23.04.2008, Corporation of Chennai has not revised the existing property tax and the revision occurred during II/1998-99 is still being continued. Hence, 10 paise per rupee could not be effected due to administrative exigencies.

Corporation of Chennai had submitted proposal twice in the year 2010 to the council for the revision of property tax and it was returned. Hence, library cess has not been revised from 5 paise to 10 paise for old assessments.

It is stated that library cess at 10 paise per rupee may be revised to old assessments, which have been assessed prior to 31.03.2008 with effect from I/2017-18, since it is not possible to levy library cess from 5 paise to 10 paise for old assessments with effect from 01.04.2008, as such all the properties will have uniformity in levying of library cess.

Under Section 98 of Chennai City Municipal Corporation Act 1919, the council may levy property tax. Since library cess is being collected as a component of property tax, rate of revision of library cess could be carried out to old property tax assessments only after the approval of the Special Officer, Council.

Hence, revise the library cess rate from 5 paise per rupee to 10 paise per rupee for old property tax assessments with effect from I/2017-18. Approval of Special Officer –Standing Committee (Taxation and Finance) and Council requested. Commissioner's note dated.25.04.2017 is read.

"Approved by Special Officer- Standing Committee (Taxation and Finance) and Council."

Finance (Pay Cell) Department
Secretariat,
Chennai – 600 009.

Letter No: 6923 / PC-3 / 2017-1, dated: 28.3.2017

From
Thiru. K. SHANMUGAM, I.A.S.
Additional Chief Secretary to Government.

To
The Commissioner,
Greater Chennai Corporation,
Ripon Buildings,
Chennai – 600 003.

Sir,

Sub: Chennai Corporation – Applicable scale of pay for the newly recruited Assistant Engineer – Clarification – Regarding.

- Ref:
1. G.O.Ms. No.335, Finance (PC) Department, Dated: 26-08-2010.
 2. G.O.Ms. No.71, Finance (PC) Department, Dated: 26-02-2011.
 3. G.O.Ms. No.242, Finance (PC) Department, Dated: 22-07-2013.
 4. Government Letter No.53137 / PC / 2015-1, Finance Department, Dated: 25-09-2015.
 5. Government Letter No.60067 / PC / 2015-1, Finance Department, Dated: 26-11-2015.
 6. The Principal Secretary / Commissioner of Treasuries and Accounts, Letter Rc.No.65299 / D2 / 2016, dated: 28-12-2016.
 7. Your letter No.203 / F.A. / GCC / 2017-1, Dated: 08-02-2017.

I am to invite your attention to the references cited.

2. In the G.O. first cited, among others, orders have been issued revising the pay scale of Assistant Engineers in Chennai Corporation from Rs.9300-34800+G.P.Rs.4700 to Rs.15600-39100 + G.P.Rs.5400 notionally w.e.f. 01-01-2006 with monetary benefit from 01-08-2010 based on the recommendations of One Man Commission.

3. Subsequently, the Government reviewed the orders issued based on the recommendations of One Man Commission and downgraded the pay scales of 52 categories. Among others, the Assistant Engineers of Chennai Corporation were placed in the pay scales of Rs.15600-39100 + G.P.Rs.5100. Accordingly orders were issued in G.O.Ms. No.71, Finance (PC) Department, dated: 26-02-2011. Aggrieved by the above Government order several individual employees / Association filed Writ Petitions and obtained stay on the implementation of the above Government order.

4. Based on the orders of the Hon'ble High Court, Government constituted a Pay Grievance Redressal Cell which among others reviewed the orders issued in G.O.Ms. No.71, Finance (PC) Department, dated: 26-02-2011. Accordingly orders were issued in G.O.Ms. No.242, Finance (PC) Department, dated: 22-07-2013, among others, placing the Assistant Engineers in Chennai Corporation appropriately at Rs.9300-34800 + G.P.Rs.5100 as against the pay scale of Rs. 15600-39100 + G.P. Rs. 5100 ordered in the Government order dated: 26-02-2011.

5. Based on the orders of the Hon'ble Division Bench of Madras High Court dated 27-02-2014 in W.A.Nos. 504 of 2012 and other batch cases, necessary clarification was issued in Government Letter No. 46373 / PC / 2013-8, Finance department, dated 27.03.2014 to the effect that there shall not be any reduction in the pay of the employees and pension of the pensioners / family pensioners pursuant to the orders issued in the G.O.Ms. No.71, Finance (PC) Department, dated: 26-02-2011, dated: 26.02.2011 and G.O.Ms. No.242, Finance (PC) Department, dated: 22-07-2013, till further orders from Government. However, it was informed that the above clarification is applicable to persons who have been appointed prior to 22.07.2013 and also covered by the common order dated:27.02.14. Further, the Government has filed 159 SLPs in the Supreme Court of India and the same are pending before the Supreme Court. Subsequently in Government Letter No.53137 /PC / 2015-1, Dated 25.09.15, necessary instructions have been issued to all the Departments of Secretariat / Heads of Departments concerned to ensure that the pay scale of persons appointed on direct recruitment after 22-07-2013 to the categories mentioned in the G.O.Ms. No.242, Finance (PC) Department, dated: 22-07-2013 is made appropriately with reference to the pay scales indicated in the above said Government Order.

6. Aggrieved by the above clarification certain newly recruited employees in the cadre of Assistant Engineers and equivalent categories, have filed Writ Petition No.33296 of 2015 and 37 other writ petitions to quash the Government Letter No.53137 / Pc / 2015-1, Finance Department, dated: 25-09-2015. The Hon'ble High Court has granted " Interim Stay" in most of the writ petitions and the Government has issued necessary instructions in the Government Letter No.60067/ PC-II / 2015-1, Finance (PC) Department, dated: 26-11-2015 implementing the Interim Stay by keeping the instructions issued in the reference fourth cited in abeyance until further instructions are issued. Necessary counter affidavits have been filed in the Hon'ble High Court to vacate in Interim Stay and the Writ Petitions are pending for listing.

7. Based on the instructions issued in the reference fifth cited, the Commissioner of Treasuries and Accounts in the reference sixth cited has issued instructions to all the PAOs / Tos to act as per the instructions of Government subject to outcome of the Writ Petitions filed against implementation of Government order third cited and Government letter fourth cited by obtaining necessary undertaking from the individuals concerned before making payment for effecting recoveries of excess paid pay and allowances, if any that may arise in future.

8. I am therefore to request you to pursue further action to fix the pay of the Assistant Engineers in Chennai Corporation based on the pay scale applicable as per the orders in force.

**sd./- K. SHANMUGAM, I.A.S,
for Additional Chief Secretary to Government**

S.W.M.C.No.A7/0703/2017

Resolution No. 253/2017

Date:28 -04-2017

**Solid Waste Management Department – Construction & Demolition waste –
Delinking and change in scope for C&D waste for package 1, 2, 3 and 4 on
PPP mode - preliminary details furnished for taking the assignment for C&D
waste Management for collection, transportation & processing – Letter already
sent to TNUIFSL in anticipation of the Council Resolution- Approval of the
Special Officer – Council – Requested**

Greater Chennai Corporation has been trying different formulations for an integrated solid waste management solutions with decade backed up efforts. With commendable modifications by competent authorities, a final trials of formulation for an integrated solid waste management solutions for Greater Chennai Corporation with the below listed modules were sent to Govt. on 30.10.2015, for orders to implement with assistance of TNIDB empanelled consultants.

Sl. No.	Package	Description
1	1	Privatization of conservancy operation namely collection & transportation of Municipal Solid Waste and Construction & Demolition waste for Zones 1,2,3 &7.
2	2	Privatization of conservancy operation namely collection & transportation of Municipal Solid Waste and Construction & Demolition waste for Zones 11,12,14 &15.
3	3	Setting up of integrated Municipal Solid Waste processing facility with sanitary landfill and processing facility for Construction & Demolition waste at Kodungaiyur dumping ground (KDG) for zones 1 to 8 and scientific closure of Kodungaiyur dumping ground.
4	4	Setting up of integrated Municipal Solid Waste processing facility with sanitary landfill and processing facility for Construction & Demolition waste at Perungudi dumping ground (PDG) for zones 9 to 15 and scientific closure of Perungudi dumping ground.

With careful considerations, the Govt. in its letter dated 24.11.2015 clarified that formal orders will be issued by the Govt. as and when the proposal is received in full shape along with the DPR/DFR.

Subsequent to this Govt. directive, the TNIDB enlisted consultants were addressed by Corporation to quote their rate for Transaction Advisory Services. In this case, a single response with a quote of Rs.4.50 crores was alone received which seems to be abnormal on comparing with a cost of Rs.18.67 Lakh by a consultant appointed by the same TNUIFSL for a Transaction Advisory service in an earlier proposal by Government and one more DPR proposal by our Spl. Project wing in an entrustment for setting up of construction and demolition wastes at two dumpsites by Indian Institute of Technology, Chennai Chapter, at a cost of Rs.7.00 Lakhs. Further noncompliance of the bidder for negating the rates, the quotation was incapable to be considered.

When this issue was raised in a review meeting on 14.1.2016, chaired by Hon'ble Minister for local Administration, Hon'ble Minister directed TNUIFSL to lend a hand to Corporation in identifying a consultant for this purpose. Accordingly, Corporation requested TNUIFSL to appoint a transaction advisory consultant for the above tabulated four packages with applicable terms and conditions.

In this issue, MoUD in their letter dated 29.01.2016 prepared to give free transaction advisory services through the National Institute of Urban Affairs, but felt that their operation would be from Head Office i.e at New Delhi which may cause delay and their style of function would not cope up the time and timing to be triggered out to the high pressure mounting from public, Hon'ble NGT, Court Cases and other defined and undefined sources.

S.W.M.C.No.A7/0703/2017

With deep discussions and considerations, it had been decided by competent authorities to take up the services of TNUIFSL and in turn, with due process, the TNUIFSL appointed one M/s. IPE Global Ltd., as Transaction Advisory Consultant for (Greater Chennai Corporation) GCC's Solid Waste Management (SWM) initiatives .

Consequently, M/s. IPE Global Ltd, was supported with Greater Chennai Corporation data/documents to proceed with the DFR process and accordingly, their DFR process has been undergoing perennial views and reviews by competent authorities.

This draft feasibility report contains 4 core components. They are

- 1) Privatization of Conservancy operation namely Collection and transportation of (MSW) Municipal Solid Waste and (C&D) Construction and Demolition waste for Zone – 1,2,3 & 7 (Package - I) to the facility
- 2) Privatization of Conservancy operation namely Collection and transportation of (MSW) Municipal Solid Waste and (C&D) Construction and Demolition waste for Zone – 11,12,14 & 15 (Package - II) to the facility
- 3) Integrated MSW Process & Scientific land filling, C &D waste processing and reclamation of landfill sites at Kodungaiyur – North Region (Zone 1 to 8) (Package –III).
- 4) Integrated MSW Process & Scientific land filling, C &D waste processing and reclamation of landfill sites at Perungudi– South Region (Zone 9 to 15) (Package – IV).

During the status Review meeting – 4 held on 02.02.2017 conducted by the Principal Secretary, M.A&W.S Department and the presentation made by the consultant to the Review Expert Committee members in the meeting held on 16.02.2017 at Greater Chennai Corporation, it was decided that the Construction & Demolition Waste Management has to be separately dealt from Collection, Transportation and processing etc by delinking and change in scope for managing Construction & Demolition waste on PPP mode. The sites were also proposed at Pallikaranai and Attipattu.

The earlier proposed site for processing of C&D waste was at the existing KDG & PDG, as recommended in the DPR submitted by IIT, Madras. The IPE (Global) Ltd., also proceeded with preparation of DFR accordingly.

The main scope of the present assignment is that to manage the C&D waste generated by citizens on repair, renovation, new construction, waste generated on infrastructure maintenance and developments by GCC own and other service departments. It constitutes a logistical network. To arrive at a solution on logistics of C&D waste generated whether by individual or institutional, to the processing centre is the core content of the solution. When arriving the solutions, imposing of charges / fines / fees for the quantum of C&D waste has to be taken into account to avoid dumping of C&D waste elsewhere, instead to process the same for best utility.

On par with reference (2), the TNUIFSL has already been requested to proceed with the assignment pending Council Resolution.

In this context, Council Resolution for ratification for having entrusted the assignment to manage the generation of construction and demolition waste by citizens on repairs, renovation and new constructions as well as institutions on infrastructure maintenance and developments.

S.W.M.C.No.A7/0703/2017

Hence,

- 1) To delink the C&D waste from the collection upto processing and then disposal from the earlier above said 4 packages as decided during the status review meeting -4 held on 02.02.17 and subsequent Review Expert Committee meeting held on 16.02.2017 and to be dealt as separate project at alternate sites at Attipattu & Pallikaranai instead of existing KDG & PDG to manage the generation of construction and demolition waste by citizens on repairs, renovation and new constructions as well as institutions on infrastructure maintenance and developments.
- 2) To approve the delinking of C & D Waste from the TAS (Transaction Advisory Services) of above said 4 packages.

Sl.No 1 & 2 above are for approval of Special Officer – Standing Committee (Health), Standing Committee (Taxation and Finance) and Council requested. Commissioner's note dated.22.04.2017 is read.

“ Sl.No.1 & 2 are Approved by Special Officer- Standing Committee (Health), Standing Committee (Taxation and Finance) and Council.”

S.W.M.C.No.A7/1101/2017

Resolution No. 254/2017

Date:28 -04-2017

Solid Waste Management Department – Detailed study on water contamination in and around Kodungaiyur & Perungudi Dumping sites by TNUIFSL through IIT Madras – Instructions issued by the Principal Secretary, MA&WS Department – Sanction.

The Greater Chennai Corporation has been trying different formulations for an integrated solid waste management solutions with decade backed up efforts with commendable modifications by competent authorities. A final trial of formulation for integrated solid waste management solutions for Greater Chennai Corporation are as listed modules.

Sl. No.	Package	Description
1	1	Privatization of conservancy operations namely collection & transportation of Municipal Solid Waste and Construction & Demolition waste for Zones 1, 2, 3 & 7.
2	2	Privatization of conservancy operations namely, collection & transportation of Municipal Solid Waste and Construction & Demolition waste for Zones 11, 12, 14 & 15.
3	3	Setting up of integrated Municipal Solid Waste processing facility with sanitary landfill and processing facility for Construction & Demolition waste at Kodungaiyur dumping ground (KDG) for Zones 1 to 8 and scientific closure of Kodungaiyur dumping ground.
4	4	Setting up of integrated Municipal Solid Waste processing facility with sanitary landfill and processing facility for Construction & Demolition waste at Perungudi dumping ground (PDG) for Zones 9 to 15 and scientific closure of Perungudi dumping ground.

The TNUIFSL has appointed a consultancy services, M/s. IPE Global Limited for preparation of Feasibility report and for providing Transaction Advisory Service for the above Solid Waste management initiatives for Greater Chennai Corporation on public – private partnership (PPP) mode. The draft DFR prepared by the consultant is reviewed by the higher officials.

During the Status Review Meeting-3, held on 14.11.2016, the Principal Secretary to Government, MA&WS Department instructed TNUIFSL to initiate a study on “Detailed Ground Water Study” in and around the dumping sites through Geophysical Survey, to assess the spread of Contamination level around the sites, to assess the extent of Contamination in Water Aquifer, to identify the highly contaminated zone, through Water plume modelling” for both Kodungaiyur and Perungudi sites, through IIT Madras and The Greater Chennai Corporation shall bear the cost of the borehole.

Mail received from Mr. U. Vijayaraghavan, Manager TNUIFSL, dated 08.12.2016 and 27.02.2017, the TNUIFSL has furnished “Terms of Reference, as TamilNadu Sustainable Urban Development Project (TNSUDP) for appointment of consultants for preparation of a Technical Report for “Assessing the Level of Contamination in Environment in and around the solid waste dumping sites at Perungudi and Kodungaiyur in Greater Chennai Corporation.

As instructed by the Principle Secretary to Government, MA&WS Department, the TNUIFSL required a Resolution for initiating a detailed study on Ground Water in and around the dumping sites at Kodungaiyur and Perungudi to assess the extent of Contamination level.

S.W.M.C.No.A7/1101/2017

Hence,

“Detailed Ground Water Study” in and around the dumping sites through Geophysical Survey, to assess the spread of Contamination level around the sites, to assess the extent of Contamination in Water Aquifer, to identify the highly contaminated zone, through Water plume modelling” for both Kodungaiyur and Perungudi sites, through IIT Madras and The Greater Chennai Corporation shall bear the cost of the borehole. as minuted in the Review meeting held by the Principal Secretary to Government, MA &WS Department on 14.11.2016.

Approval of Special Officer – Standing Committee (Health), Standing Committee (Taxation and Finance) and Council requested. Commissioner’s note dated.22.04.2017 is read.

“Approved by Special Officer- Standing Committee (Health), Standing Committee (Taxation and Finance) and Council.”
