**Amendment – CCMC Act 1919 – GCC- Revenue Dept. -Enactment of Law in the Place of the Tamil Nadu Entertainments Tax Act, 1939 – Amendment proposal called for by the Government**

The Government has stated that, the Tamil Nadu Entertainments Tax Act, 1939, inter-alia, enables the State Government to levy and collect entertainment tax on cinematograph exhibition in the theatres under section 4, amusement under section 4-F and dubbed film under section 4-H. As per section 13 of the said Act, ten percent of the proceeds of the tax under section 4, Section 4-F and Section 4-H collected every year in respect of entertainments held within the jurisdiction of any local authority shall be credited to the State Government and the balance of ninety per cent shall be paid to the local authority. The local authority shall include the Municipal Corporations and Municipal Councils for Municipalities and Town Panchayats. The said ninety percent proceeds of the entertainment tax shall be distributed between the local authorities by the State Government for their development activities.

The Government had further informed that the entry 62 of State List in the Seventh Schedule to the Constitution of India, among others, has been amended by the Constitution (One Hundred and First Amendment) Act, 2016, which reads as follows:-
