Resolution No. 022 /2016

ehY: 29-11-2016

Storm water Drain Department – Integrated Storm water Drain work in Expanded Areas of Greater Chennai Corporation in Kosasthalaiyar Basin-Revised DPR to be prepared Through TNUIFSL and submitted to JICA- entrust the work of preparation of revised DPR to TNUIFSL – Sanction.

Greater Chennai Corporation had prepared a Detailed Project Report for construction of Integrated Storm water Drain network, comprising 4 basins namely Cooum, Adyar, Kosasthalaiyar and Kovalam at an estimate cost of Rs.4034 crore by Tetrattech consultants. As a first stage, work have been commenced in ADYAR and Cooum basins at an estimated cost of Rs.1101.43 crore with World Bank funding under TNSUDP guidance.

A Detailed Project Report for Kosasthalaiyar basin at an amount of Rs.1881.66 crore was submitted to Government on request through TNUIFSL vide Principal Secretary, MA&WS(MAII)Department letter dated.13.05.2016 and Commissioner, Greater Chennai Corporation letter dated.14.05.2016.

Meanwhile, the DPR for Kosasthalaiyar Basin was submitted for JICA funding. As per the finding of TNUIFSL and AG Audit, Greater Chennai Corporation has to prepare a revised DPR based on the following scopes.

- Redesign of Major canals and drains based on 68mm rainfall.
- Study of Major canal works already carried out by PWD and omission of such works from original DPR.
- Levels for drain to be fixed based on works carried out by PWD.
- As the road levels were taken four years back for original DPR, levels have to be taken for all roads in current prevailing site condition.
- In the AG Audit factual statement of performance audit on Chennai mega city it is Stated that “SWD under CMCD” was not planned based on ultimate linkage to water bodies. Hence, in Revised DPR it is proposed to consider all water bodies in the basin.

In this regard, it is to be submitted that, for preparing Revised DPR, TNUIFSL may be requested to carry out the task as they are having panel of consultants and to ease the preparation of DPR with their guidance and the sanction of the Council to be obtained for entrusting the work of Revision of DPR for ISWD project for Kosasthalaiyar Basin in the expanded area of Greater Chennai Corporation.

Hence, to entrust the work of Revision of DPR to TNUIFSL, for the ISWD Project in Kosasthalaiyar Basin in the expanded areas of Greater Chennai. Sanction of the Special Officer- Standing Committee (Works) and Council requested, Commissiner note dated 28.11.2016 is read.

“Sanctioned by Special Officer- Standing Committee (Works) and Council.”
