

GREATER CHENNAI CORPORATION

PRESS RELEASE

P.R.No.07

Date : 07.01.2025

On the day of Bhogi Festival, General public's are in practice of burning various materials such as plastic wastes, old cloths, old tyre, rubber tubes and other waste materials in large scale resulting in causing various health problems to the public and also causing severe air pollution. Therefore, the general public are requested to avoid the burning of unnecessary items and hand them over to our Greater Chennai Corporation Conservancy workers who come for Door to Door waste collection.

**Issued : Joint Director/Public Relations Officer
Greater Chennai Corporation**
